MEMO ENDORSED

Re: **Bourne Co. v. Twentieth Century Fox Film Corporation, et al.**  
**07 Civ. 8580 (DAB)**

Dear Judge Batts:

We represent the Plaintiff in this matter. The current page limit for Plaintiff's combined memorandum in Opposition to Defendants' Motion for Summary Judgment/ Cross-Motion for Summary Judgment is 25 pages, pursuant to the Court's Individual Practices. We write to request a page limit extension from 25 to 40 pages. We seek this extension because the Court ordered Plaintiff to combine the briefing for its opposition to Defendants' motion and its own cross-motion in one set of papers. Had we been allowed to submit a separate motion for summary judgment and opposition to Defendants' motion for summary judgment, we would have had 50 pages to make our arguments.

GRANTED  
/DAB/

Defendants' counsel consents to this page limit extension provided that Defendants are allowed to have a page limit extension from 10 to 25 pages for their reply brief. Plaintiff consents to Defendants' request.

GRANTED  
/DAB/

We appreciate you Honor's consideration of this request.

Respectfully Submitted,

  
Paul M. Fakler
